## Study Outcome

- Understanding of valuation methods
- Identification of key value drivers
- Operational efficiency, and financial performance.
- Practical valuation skills conducting filling station valuations.

## Who Should Attend?

Staff recommends that the Federal Deposit Insurance Corporation (FDIC) Board of Directors (Board) adopt and authorize publication in the Federal Register of the attached final rule. The final rule would implement quality control standards mandated by the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act) for the use of automated valuation models (AVMs) by mortgage originators and secondary market issuers in determining the collateral worth of a mortgage secured by a consumer's principal dwelling.
